train. We wanted men, not to commit outra. Committee as voiceners were rejected, because its aid insult we men in Kansas but to cultivate they afford a cevidence of the payment or mas her soil and stand up for Liberty.

The Halloud Land to a made of an the magnitude of voiceners is he retonance and marked the

of principles. It has a hard road to travel, and son, but Seaver thinks it was given for money

ralation to this transaction which is herowith submited. Subsequent to the first examination of Mr. Seaver before the committee, and after the states ment of Gov. Barstow was made to the Committee, Mr. Seaver requested that he wishes to be seaver for W. Brewster." There must mittee, Mr. Seaver requested that he might be not given for land parendsed by Gleason.

Investigation of State Affairs, way an overpayment was made to Schooller & that time, and that he did so by direction and Wendt of eleven hundred dollars, and to Mr under the authority of persons who had the lecturing for Fremont in Michigan, writes to Fratney of Milwaukee of five hundred and firty dollars. Mr Seaver seems also quite postive that they overpaid Andrew Proudit one thousand dollars, but Mr. Proudit as will be see a by his testimony, is as consident that Mr. Seaver is midaken.

The Treasurer also paid Beriah Brown t ree thousand dollars without any authority of aw, treading the testimony of Capt. Hugins who lican. Will the people endorse such atrocious

Madison Wis, 23d Oct. 1851. John Warren Hant : - On the fifteenth of December aext, at State Bank pay to the order of Andrew Promitt fice hundred and ferty citht Andrew Proposition and dollars 50, value received.

JOHN W. HUNT

To the State Treasurez of Wisconsia, Malis Son, W. ...

Across the face of the draft is written to es-

This draft is end reed by Andrew Proudit, in blank, and from the fact that it was among the books. Mr. Proudst stated to the Cotis

hal good bye to the company of young men! Owing to the lase and careless manner in from Madron, called home by sel ness of Liwho left Wicconsin to represent and defend which the hooks is the officer of the Tresourer family. Mr Staver, who was under an bond: Freedom in Kansas. As they took their neats to be a keep the manual family in a have heretofore for the latthal performance of the day was to be a keep the new continuation of the first manual family. Freedom in keases. As they took tacir seats and School lead Jennailed as have herefolders on the platform, they were loadly cheered.

Every Mr. Remington addressed the meetings arranged the necessarity of action. Athers fell named the word of her craters, because they backed men of action. Philip—like the South—was always clamoring for he rights. But his state manner, he hocks are unsuged the other concernments and other names of names and the books are using the other concernments and other persons not connected with a correct and systematics are using the other concernments and other names of names and the other of the laiding performance of his days of the daily of the rights, like theirs, were incorpatible with the lightes, and other names and lightes subvitations of the people. He then traced the which in many inspects rendered to it is an alternation of the people. The then traced the which in many inspects rendered to it would be was found in the valle with many inspects rendered to it would be was found in the colors for the render for for th Districted the people. He then traced the convenience-polarization and anergons, another occasion as was formula the vanit with encreachments of the South upon Freedom.—; which, in many instances, rendered it impossis another person, locking at the money, both of And still the South is not satisfied. There must be to an action of the contest in the south is not satisfied. There must be to a money at a formula to the south is not satisfied. There must be to a money at a formula to the south in the south is continued to the south in the south is south in the south in the south in the south is south in the south in the south in the south is south in the south in them intoxicated. These things were well known to p. r. ons about the Capital. And it seems, moreover, that there was reason to respect, from what was publicly said in the streets, that on one negasion when Mr. Seaver went into the vanit of the Treasury at hight, on that same night he lost several hundred dellars at the gaming table. It was also known that diquor was kept in the vaults. It is a marter of after netoalshment that such a state of things should have been permitted to continue for a

d yeard the question which naturally presents ion if to any person is, was there no one to ex-cicle may authority in the matter; no check to the gress and improper conduct of one who hed the sole charge of the State! It stems also to have been known to sever dof the withesses, H.J. Mr. Seaver was in the labit of tion of the law wareh precludes, the Commissigners of School and University Lands from purchasing may of said Lands either is their awa name or in the name of any other person. (See Sec 51 Chap 21, R S)

It may be said that Mr. Seaver was not a ounmissioner, yet he was netting as Commissioner, and the reason and policy up or which the law was founded, would preclude aim and money began to come in freely. \$256.50 were contributed on the spot.

| Second of the spot of the spot of the spot of the law was nonnectional order. The principal observable of the spot of the law was nonnectional order. The principal observable of the spot of the law was nonnectional order. The principal observable of the spot tien Paine spoke with great planness and come extent arising oft of the present defects persons having teady access, taking advantage is all he so signed, shall be valid in law. See some extent arising of the present defects of their position, to the injury and exclusion of the provides that upon presentation to the Sees to their position, to the injury and exclusion of the duplicate certificate and

try, let it be so understood, but let us not be credited with the name of having it in Milwans kee, when it is three miles out of town. What say one business men to this arrangement? Is a horse race the main object of the Fair?

If we are correct in our recollection of the platform mospied by the Republican at Malissen, when their party was formed there, there was a peak in favor of a prohibitory liquarly. There was never any such plank in the Residence of the Residence of the Republican of the State of Janssen, Seaver and Mr. Kucha, the presents of Janssen as seaver and Mr. Kucha, the presents of Janssen, Seaver and Mr. Kucha, the presents of the State.

It was unquestionably the presents from the terminate of the Com missions in the office of the Com nistees of the Com nistees of the Com nistees of the Com nistees of the State.

It was unquestionably the present in the collect of the Fair in the present of the Fair in the purchase of the Com nistees of the Com nistees of the Com nistees of the continuity of the continuity of the present of the Fair in the purchase of the Com nistees of the Com nistees of the Com nistees of the Com ni when their legitimate fruits are hald before the great vietory in the denied of the State.

It was unquestionably the practice, as appears or on the testimony of Charles Huggins, of some transfer for Congress, the Eikhorn Reporter said it can d not form a very distinct idea whom the parties raterested in the purchase are had examine them before the purchase.

which the note was mide, were reserved from sale for the accommodation of the person has med. As, for instance, we will mention that on secontantly growing harder.

What does the Nices tow think of the Report of the Investigating Committee?

Son, but Seaver thinks it was given for money had on "slips" or "goods" from the treasury of the Investigating Committee?

Son, but Seaver thinks it was given for money had on "slips" or "goods" from the treasury of the treasury of the Investigating Committee?

Croix, there is an entry in pencil, which Mr Habien thinks is in the name of Daniel Seaver, in the following words, viz: "To be kept for Wm. A. Barstow." This land was rubs to the Investigating Committee of the Investigat ers of School Lands, opposite sections 21 and Fremon. Club meets this evening at Pratt's sa 22 in town 25, rango 18 in the county of St. loon, and the 2d Ward Fremonters are invited Croix, there is an entry in peach. when are to meet with them. Specials in Electric Habital thinks is in the hand writing of Daniel German will be made. Let all the Fremonters secrently purchased in the name of Augustus Story, in February, 1854. The book on which the entry is made to Story, was copied from ;

einnati Ezaminer, assaulted Henry Reid, editor of the Cincinnati Commercial, on the morning of the Lith inst., in the street, with a-care, for printion, or in anticipation of one. Under this system mistakes have doubtless occurred, by cry serious injury done.

No very serious injury done.

March 1855 while the bill limiting the amount of School lands to be sold to any one person, was pending in the Legislature, and before its the stall of C. P. Bradley in Arlington, Columbia constanting on the School Land books bia Co., or Sunday night, and on Monday the limit of C. P. TELEGRAPH. BY THE WISCONSIN STATE LINE.

Reported for the Free Democrat. WISCONSIN LEGISLATURE. SENATE .- The resolution of yesterday, directing the printing of a number reports of Investigating Committee, came up for consideras tion, and was laid for time being, on the table. The Committee on Enrollment reported a anmber of naimportant bills as correctly en-A bill to incorporate the Green Bay and Yewaunee Plank Road Co., was passed. A bill appropriating a sum of money to the

lerks of the Legislature of last session was laused. A bill to determine and settle claim of Ausrew Proudfit against the State, by referring it t : Wm P. Lynde, T. O. Howe and F. S. Lovill, as a commission, was passed, after amend i g it so as to authorize the Governor to emp oy conneil for State, in the premises.

A communication was received from the Atterney General, stating that suit had been comit enced against Janssen and his bond, and that which had resisted all ordinary measure . E G. Ryan had been employed by the Governer, as assistant council for State.

In the progress, the resolution relative to printing report of Investigating Committee, wes called up, and a substitute offered, orders im 4,000 copies of the Madison Journal, 2,000 co des of the Milwankee Atlas, and 1,000 of the Ersigranten, containing the same, at the price of bree cents for the English papers, and five cer is for those in other languages. On this, a long debate was had. Amendments were offer al to delay and postpone, for the purpose of receiving statement of Geo. B. Smith and A T. Gray, to be printed with the report, which we evoted down. The question was finally taker on the motion to print, and adopted. The Republicans all voting for it, with Smith, Gill, Fit: gerald, Germon and O'Neil of the Demo-

The apportionment bill came up, the question being on the resolution to refer the bill to elest committee, with instructions to district the state according to population disregarding. when necessary, town and county lines—indefinite v postponed and Senate adjourned.

A: SEMBLY .- A resolution authorizing the proprietors of Emigranten to print 1,000 copies o report of Investigating Committee was laid over.

A esolution that a select committee of five he appointed, to consider various propositions relative to sale of swamp lands, after much delate vas laid aside, and report of Saturday of the previous committee on that subject, accepts ed, as decommittee discharged. The resolution was a gain taken up, and a substitute, referring the st bject and report to a select committee of five, vith instructions to report at an early day, adopt d. H. S. Thomas, Parker, Hawley and the sale of the solution was a committee of the selections are solutions to report at an early day, adopt d. H. S. Thomas, Parker, Hawley and the solution are solved in a solution of the selection again to the selection across the School from Milway and which are very at the part runs in a recky hed, the lanks of which are very carries in a recky hed, the solution of the selection across the selection will be solved as a selection across the selection of the selection across the selection of the selection across the selection across the selection of the selection across the selection across the selection across the selection of the selection across the selection he appointed, to consider various propositions MILWAUREE, · · · WISCONSIN, bate vas laid aside, and report of Saturday of

A r solution permitting G. B. Smith and A T. Gr. y to appear before investigating Commits tee, and Explain their transaction, and have the ex danation published in the report come up. Various propositions to amend, substitute and pestpone, were made, but voted down, and the original resolution was passed by ayes 41 nees 3% Assembly then adjourned

Herm in Republican Demonstration in Rocton.

Poston, Friday, Sept. 12, 1856. The Jerman Turners' Association of Boston and vicinity held their second Annual Festival at Nee Ibam yesterday. The gathering was de-cidedly Republican, and the speeches made by Henry Wison, Gustave Strave, Mr. Donac, former v of Texas, and others, were listened to with interest and enthusiasm. Resolutions heartily indorsing Fremont and Dayton, and the Pl tform of the Republican party were ununim maly adopted.

BORTON, May 21, 1855.

Having had several years professional intercourse with Dr. L. P. Hasherl, we take much pleasure in reconcered in the man sake sliffly dentist, and excellent particularly in Mechanical dentistry and the manufacture of fluce Simeral Teath. To the above we would add, we consider him a coan of steriling integrity and worthy the conditions of any people with whom he may reside.
